The Honorable Richard Helms  
Director of Central Intelligence  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Dick:

It was good lunching with you the other day, and I now am in a position to send you an updated list of participants and a few other details.

We would like to make the session with you at 3:30 p.m. if that is satisfactory to you. I believe earlier we talked of a 3:00 or 3:30 p.m. date. Our party will be landing at Page Airways, National Airport, at 2:45 p.m. from Hanover, New Hampshire, and this will give us plenty of time to board our bus and proceed to Langley. You mentioned the possibility of one of your people driving out to the Agency with us to make certain the bus driver took the right turn and that there were no security problems so far as getting the bus through the gate. If this is feasible, I think it would be a good idea and would appreciate it very much. The man could meet us at Page where we will be arriving on a chartered Pan Am 727. If this does not appear to be feasible to you, I am sure I can pilot the bus driver myself.

I do think the auditorium would be an excellent locale for our session, despite its size; and if you approve, we will simply deposit the party there and hold the bus in the vicinity for the return.

All of us at TIME are deeply grateful to you and looking forward to visiting with you. I enclose a current guest list plus the TIME officials who will be with the party, if you approve.

Warm regards,

John L. Steele
